The APPEAL will be delivered to the citizens of Carson at 25 cts Per Week Entered at the Postoffice in Carson City a

A VETERAN'S VERDICT.

The War is Over. A Wall-known Sol er, Correspondent and Journalist Makes a Disclosure.

Indiana contributed her thousands of brave soldiers to the war, and no state bears a better record in that respect than it does. In literature it is rapidly acquiring an enviable place. In war and literature Solomon Yewell, well known as a writer as "Sol," has won an honorable position. During the late war he was a member of Co. M. 2d. N. Y. Cavalry and of the 13th Indiana Infantry Volunteers. Regarding an important circumstance he writes as follows:

"Several of us old veterans here are using Dr. Miles' Restorative Nervine, Heart Cure and Nerve and Liver Pills, all of them giving splendid satisfaction. In fact, we have never used remedies that compare with them. Of the Pills we must say they are the best combination of their nature we have ever known. We have none but words of praise for them. They are the outgrowth of a new principle in medicine, and tone up the system wonderfully. We say to all, try these remedies."

—Solomon Yewell, Marion, Ind., Dec. 5, 1892. These remedies are sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles \$5, express prepaid. They positively contain neither opiates nor dangerous drugs.

1893 THE SILVER PLATFORM.

The silver wing of the Republi can State Convention unanimously adopted the following platform: The convention enderses and adopts the platform of the Republicas State Convention, held at Va city on the 30 of April last, as fol-

Resolved, That we condemn the Republican party of the Eastern states and the administration of President Harrison, insofar as they have failed to accomplish the comrlete remonetization of silver, and to enact laws providing for the free and unrestricted coinage of that metal.

Resolved, That the restoration of silver to the place it o cupied previous to the passage of the Mint Act of 1873, is essential to the prosperity of the country and passameunt to all other political considerations. The legislation which robbed silver of its mency functions and denied to the owner of silver bullion the right to have the same coined into money upon the some terms and conditions which apply to the coinage of gold, reduced the money of ultimate redemption or payment, about onehalf, and enabled the owners of money and obligations payable in money to monopolize the coin of the commercial world.

Reselved, That the people of Nevada are in favor of the coinage of silver upon the same comditions which apply to the coinage of gold, and they are opposed to elevating any person to office who in favor of opening the Mints of the United States to the free and unlimited coinage of silver.

In view of the unsatisfactory attitude of President Harrison to the paramount issue of the remonetization of silver, this convention will make no neminations for Presidential electors and the State Central Committee to be appointed by this Convention shall have ne authority to put in nomination elec-

The Convention cordially en. dorses the vigorous efforts of our Senators and Representatives to secure the free and unlimited coinage of silver, and the educational work that they have done in presenting the true issue between the money powers and the bondholders and laborers and producers of

And we favor the continuation of agitation and contention for the free and unlimited coinage of allver at the present ratio of 16 to 1, for their own benefit and for the benefit of the people at large miners, farmers, laborers and mechanics.

The citizens of Nevada, representatives of the various silver leagues, irrespective of past party affiliations, in convention assembled, do set ferth the following declaration of principles:

First. We demand the full remonetizatian of silver and the free and unlimited coinage thereof, at the present ratio of 16 to 1.

Second. We are radically and unalterably opposed to the National Republican and Democratic parties on the question of the free coinage of silver and we denounce the action of their recent national conventions as inimical to the material interests of the people of the United States, and especially to those of Nevada and all the other mining states and territories, and we therefore repudiate the nominees of their convention. Third. We pledge the nominees

of this convention for Presidential electors to support no man for President or Vice-President of the United States who is not unequivocally in favor of free coinage as defined by this convention. We reseave to the silver leagues of Nevada, in Convention assembled, the right of directing said Presidential electors for whom to cast their votes, should contingencies require. GEO. S NIXON. Chairman State Committee of Silver party.
